Introduction to Daily Prayer...

Dear YES participants,

We have developed the Rooted series as a follow up to the YES Retreat. Through this series we want to encourage you to participate in a month of daily prayer. The goal for this is to help develop some of the skills necessary for sustaining your own personal prayer time long term. Stuff we are all still learning! This leaflet has the first week to get you started! A few tips:

- Ask God to help you and don't be discouraged when you find it difficult, we all do!. You will be grateful for each small step you take. It's all about nurturing your relationship with a God who knows you and loves you.*
- Don't feel you have to spend loads of time doing this. Overdoing it can also leave you feeling overwhelmed and discouraged – the goal is to develop a sustainable daily habit. Start off by giving yourself 5 minutes of Scripture Meditation and writing down your thoughts and then 5 minutes to pray using ACTS below. 10 minutes every day is better than an hour every week! We've given you a detailed meditation for Saturday, and then just the scripture references for the rest of the week so you can try it out yourself.*
- Get a journal/notebook - actual pen and paper. Not because this is more spiritual but because it is easier, less distracting and means you have it for future reference. It's worth trying if you haven't before. Record here your thoughts and prayers as you go through.*

We're praying for all of you as you begin this journey! See the ACTS acronym I mentioned below, it's a great way to focus your daily prayer and help you get started.

*Blessings,
Peter & The YES Team*

Prayer Models

Scripture Meditation

Start by asking God to speak to you through His word. Pray that he will give you wisdom and understanding as you read it and seek to apply it. Use the Scripture Readings below, one each day for your time of scripture meditation.

- **Read** the passage, maybe copy it out.
- **Think & Apply:** What strikes you about this passage? Write down your thoughts about it. Then think about what application this passage might have for your life; the way you think, see/understand the world and the way you behave. Write that down.
- **Pray** and ask God to give you the grace/power to make whatever change or action is necessary in your life.

ACTS - Prayer Model

Adoration: Spend a minute or two thinking about and praising God for an aspect of his Character. You can praise him for his Goodness, Mercy, Loving-kindness, Justice, etc. Pick one that is important to remember in whatever situation you face today. See section 9!

Confession: Spend the next minute or two recalling any sin over the last 24 hours and confess it to God knowing he forgives the repentant heart.

Thanksgiving: Thank God for all the blessings in your life, from big things like important relationships (family/friends) to small things like the warm tea in your hand or the weather outside today. Try to thank him for 2-3 different things each day, keep a list!

Supplication: This is asking God for whatever you want or need and offering prayers of intercession for others. Try to pray for a mix of things, your own personal desires or concerns but also those of others and situations in the world at large. See Section 10!

4. Rooted in Mission & Service (Day 1)

Step 1: Scripture Meditation (5 mins)

Before you begin this meditation say a prayer and ask that God would speak to you through his word and help you to understand the scripture by the power of his Holy Spirit. Then Read the passage below:

John 13: 1-17 Jesus washes His Disciples' feet

"...He came to Simon Peter, who said to him, "Lord, are you going to wash my feet?" Jesus replied, "You do not realize now what I am doing, but later you will understand." "No," said Peter, "you shall never wash my feet." Jesus answered, "Unless I wash you, you have no part with me." "Then, Lord," Simon Peter replied, "not just my feet but my hands and my head as well!"

Reflection Questions

1. How would you react if Jesus knelt down and washed your feet right here, right now?
2. Are there people in your life that you feel you could never serve in this way? Ask the Lord for a spirit of forgiveness and healing.
3. Re-read verses 12-17. Write down three lessons you have learned from this passage, and then write 3 things you can do in the week ahead to 'wash the feet' of others.
4. Challenge for the week ahead: on the next page, you'll find a table of ideas for small steps in living a life of mission and service. Challenge yourself to see how many of these things you can tick off, and then share your experiences with your group when you're back together! Good luck!

Step 2: ACTS (5 mins)

Using the ACTs Prayer Model on the previous page, spend 5 mins working through each of the steps: Adoration, Confession, Thanksgiving & Supplication. You could then finish your prayer time with an Our Father.

Daily Challenges for week following 'Rooted in Mission & Service' input by Eilidh Graham

Challenge: see how many of the following things you can do in the next week (or two!). Next time you're together with your Youth Group, share your experience of anything that you ticked off.

Tell your friend a bit about your Youth Group, about your friends there, and/or about these sessions. Practice planting seeds of curiosity	Show love to someone in need: give food to a homeless person, donate to charity, phone an elderly relative...	Find somewhere nice/cool to sit for a while and be alone with Jesus. Ask Him what He's calling you to.
Think of a creative way to share your faith on social media. Share a post, or use your own words.	Do something helpful without anyone asking. Hoover the stairs, clean the kitchen, fold the laundry...	Read the book of Nehemiah. It's not too long, I promise (there are some lists). Consider what God is saying to you through that story.
If you have siblings or anyone you live with: tell them 3 things you appreciate about them. Tell them Jesus loves them.	Send a note to a friend who you think could use some encouragement. Write your own message, send them some of their favourite things, invite them to hang out/play games online...	Go to church (either physically or virtually). Ask your parents/priest/pastor if there are any ways you can be on mission/serve in your life at home.

Adoration

This is an aspect of prayer people often find difficult and it can take a bit of work and practise. yet it is really important and is really beneficial when you find your feet. Spend a minute or two thinking about and praising God for an aspect of his character. You can praise him for his Goodness, Mercy, Loving-kindness, Justice, Sovereignty, Power, Wisdom or Faithfulness for example. Pick one that you have experienced before, or that is important to remember in whatever situation you face today. Or simply just choose to bring these things to mind and praise him for it, simply because it is true.

The psalms are full of adoration and has been the Christian Prayer Book since the time of Jesus. Here some passages that you can use as a individual prayers or as a springboard to help you get into the flow!

Supplication (Intercession)

Supplication means: *the action of asking or begging for something earnestly or humbly*. Try to pray for a mix of things, your own personal desires, but also offer intercessions for others. It is good to pray for your loved ones, but it is also very important to pray for people who you don't like. Praying for someone is a great first step in trying to obey the command 'love your enemies! It is also really important to intercede for situations in the world at large that require the prayers of God's people. See below for some examples:

Pray for wisdom for our leaders as they seek the public's safety and manage the risks of COVID-19.	Pray for those who suffer from mental health illness, that God would be at work in their lives and bring them healing of mind and spirit.
Pray for your parents for Gods blessing and guidance in their work and service	Pray for those who are homeless, especially as we enter the winter months
Pray for those leading in your church or community that God would sustain, encourage and lead them.	Pray for those suffering because of the economic challenges caused by COVID and the lack of Jobs
Pray for other Christians in your church, friends or family that God would be at work in their life and enable them to submit their lives more fully to him.	Pray for those who are sick in hospital, in your family or in general- that God would draw near to them and they would know his presence and his ever present help in trouble.
Pray for the economic difficulties in Lebanon and the 50% of people who are living in poverty as a result without work. Pray for the community that they would have wisdom and grace to show God's love to those suffering.	Pray for the families who have lost loved ones or who are living in real fear because of their vulnerability in the face of the current pandemic. Pray that God would help them to find peace in trusting him.
Pray for peace and resolution to ongoing conflict in Afghanistan and for the Lord to be at work strengthening and encouraging his church there	Pray for Christians who are imprisoned or persecuted for their faith in Saudi-Arabia and other countries where Christians are discriminated against or persecuted.
Pray for families displaced by flooding in Sudan and for the relief efforts to those most affected.	Pray for those who go without food today, pray that God would provide for them both physically and spiritually
